The group also held an extended meeting with the GSA Administrator and Deputy Administrator and their key staff to discuss services provided by GSA.

If you have any questions or views you want considered, please call me at 389-3808 or drop me a note. I will be happy to bring them before the Assistant Secretaries group.

MEMORANDUM FOR: Lt. Gen. William J. Hilsman, USA
Director, Defense Communications Agency

SUBJECT: DCA Goals and Objectives

REFERENCE: Memorandum for DDCI from Director, DCA,
dated 15 July 1981, Subject: DCA Goals
and Objectives

1. I appreciate the opportunity to review your goals and objectives for the Defense Communications Agency. The Central Intelligence Agency also has a vested interest in supporting the communications needs of our nation.

2. In comparing your document with our Strategic Plan for Communications, I am pleased to note the similarity in our goals to:

- a. Provide expanded service to our customers.
- b. Assure our preparedness for C3 capabilities.
- c. Maximize our efforts for the successful implementation of PD-53.
- d. Increase the connectivity between enhanced command centers.

I also appreciate your support for this Agency's participation in the DSCS III program.

3. Through our respective staffs, I assure you our cooperation and assistance wherever and whenever necessary.
